**Subject: Request for issuance of Minutes and ATR of  
EPFOA Meeting with CPFC held on 30.06.2025  
-reg.**

Sir,

The CPFC had graciously granted an appointment to EPFOA for an agenda-based meeting on long-pending HR issues on 30.06.2025 at Head Office. As you are aware a number of important issues were discussed in the meeting and it is hoped that necessary action on those matters must be underway at appropriate level for early resolution. This sort of two-way communication between management and employees of EPFO is crucial for resolving officer's issues and ensuring long-term health of our organisation.

However, it is brought to your kind attention that the minutes of the above meeting held on 30.06.2025 as well as corresponding ATR is still awaited despite a lapse of

almost two months. You may kindly appreciate that it is very important that the progress achieved in these meetings is properly documented and recorded so that meaningful progress is achieved in each subsequent interaction. Furthermore, the EPFOA being a representative body, is accountable to its members at large and public dissemination of official records of such meetings is a crucial step in holding accountability.

Therefore, it is requested that suitable directions may be issued to the concerned for immediate issuance of the minutes of the above meeting and necessary action may be taken to ensure that ATR on each agenda is prepared so that progress may be discussed in subsequent meetings.

Thanking you.

Your sincerely,

*A. Avami*
